Rhonda Behnken: Resigned her elected position as Fiscal Officer immediately, April 13, 2021. Trustee keys, passwords and UAN contact information is on the Fiscal Officers desk, and she logged off.

Trustee Wynne: Karen you mind taking notes. **Karen Kayler:** No, I'm here, I'm ready.

Trustee Wynne: We are going to have to vote to except that. That will be done in the regular meeting. We will need to have a special meeting to discuss the vacancy left by Ms. Behnken. Karen tomorrow can you touch base with the Trustees to set up at time for a meeting? I would like Chief Littleton & Sgt. Hesler invited to that meeting and Nathaniel. **Karen Kayler:** Okay.

Trustee Hartshorn: And APA Sharma.

Trustee Wynne: Did everyone get the email from James Mett? Trustees responded yes. He will be speaking first at our 7:00 meeting. If they are going to donate the Trees and provide the volunteers to plant them, we need to participate. I think it is at the end of April. **Trustee Mears** I think it's a good idea.

Trustee Wynne: Did you get a chance to look over the properties listed on the Tornado Statistic list?

Trustee Hartshorn: I did not get a chance to look at the list. **Trustee Mears:** I looked at it, but I didn't know where all the properties were. The majority of them I knew about. **Trustee Wynne** There may be a bunch of homes that didn't make it on the Perry Township List and got put on Brookville's list.

Trustee Wynne I had on here the Township Birthday party. There is some discrepancy on when Perry Township was established. We may not be 200 years old. Karen, do you remember what you came up with. **Karen Kayler:** When I talked to the Historical Society in Brookville, they were able to pull documents that says we were established March 7, 1880.

Trustee Wynne: I spoke with Randy about the road project, and he has a report ready for the regular meeting.

Trustee Wynne: The KLA Assessment, I know he tried to redo a lot of the stuff that wasn't done. We have not submitted that yet, What, do you think it is ready to submit. Are we done with it? **Trustee**

Mears: I know Randy is trying to update everything down there and I still need to turn in my insurance card and driver's license I have not done that yet. **Trustee Wynne:** Yes, I do too. Rhonda had all that

paperwork. We need to figure out where it is. She has the driving records; Rhonda was collecting everything. **Trustee Wynne:** Randy are you here with us? Will you check with Dave and see if the

driver's license and Insurance Card has been turned in. **Randy Robbins:** I will make sure we get this turned in. **Karen Kayler:** Mindi mine were turned in. **Trustee Wynne:** Okay, remind me tomorrow to

turn my in. Chief Littleton or Sgt. Hesler if you could make sure your guys turn theirs into you. **Chief Littleton:** Mindi, I have a phone call into the risk management group for the form for Hepatitis and

driver's license, I haven't received anything back yet. **Trustee Wynne:** I think I have a copy of the form I will look when I go in tomorrow and get it to you. I believe I have copies of all the forms from OTARWA.

Chief Littleton: Okay.

Trustee Wynne: I make a motion we Adjourn the Work Session to return at 7:00 for our Board of Trustees meeting. **Trustee Mears:** I second.
